

CACC FAQ

Where do rehearsals take place? Rehearsals are in the Hall at Camrose United Church:
4829-50 St

Does my child need to audition? No! Junior and Senior are for everyone who wants to sing. A small ensemble is by audition, depending on interest.

How many performances do you do? We typically have three performances that we ask all singers to participate in: Christmas, February Fundraiser, and Spring (the Grand Finale this year). ALL OTHER performances are based on sign-ups - we only say yes if we get enough singers.

What other commitments are there? Three basic themes:

- 1) Practising: Singers are asked to practise at home as possible - rehearsal recordings are provided for singers to sing along with at home, on an as-needed basis.
- 2) Extra time: We ask for two workshop days for singers (one in October, one in Jan) if at all possible. All other opportunities are by sign-up
- 3) Family support: Family are asked to provide some volunteer time for workshop days if available, and all families are asked to contribute to the February Fundraiser; contributing to the Silent Auction and dessert components of that event as well as volunteering to help it run. This year, extra support may be requested for the Grand Finale concert.
